Conference Invitation

IAC-2019

Dear Attendees,

First Edition of an International conference and exhibition invites all the participants from all over the world to attend "Indian Analytical Congress" during December 12-14 2019 in Amity University, Noida India which includes keynote & invited presentations, Oral & Poster sessions, B2B meeting, Exhibitions and Live Demonstration of Exhibits. IAC-2019 aims to provide a forum for researchers from academia and industry working in the areas of chemical & petrochemicals, drug & pharmaceutical, Food & Agricultural and Environmental etc. to share latest cutting-edge research findings and results of various aspects of Analytical Science.

The conference showcase the research works of Analytical Science expertise from various scientific backgrounds, Industry and the same can be perceived by young researchers and students. It is opportunity to join the international community in your field of interest and experience and explore Delhi, Taj Mahal and incredible India. The conference will be highlighting the theme "Explore, Experiment and Experience the Innovation and Current Trends of Analytical Sciences"

**Sincerely,

Organizing Committee**

Analytical Instruments Market Analysis

IAC-2019

The world has witnessed a strong pattern of demand for analytical instruments and automation products in the past few years. The market for analytical instruments in India has fared well during last couple of years and is further anticipated to increase at a strong growth rate over next few years. The reasons behind higher growth are stringent government regulations in energy sector and rapidly booming pharmaceuticals and life science industry in India. Apart from pharmaceuticals and life sciences, petrochemical and food & beverage are also emerging as prominent sectors which are expected to fuel the market for analytical instruments in India.

According to a recently published report by TechSci Research, “**India Analytical Instruments Market Forecast and Opportunities, 2018**”, the analytical instrumentation market to grow beyond **USD 2 Billion by 2018**. Indian analytical instruments market comprises of multinationals as well as several local manufacturers, offering various kind of instrumentation along with advanced technologies. Increasing level of awareness regarding air and water monitoring and environmental concerns too shows the untapped potential in the market.

About Indian Society of Analytical Scientists - Delhi Chapter (ISAS-DC)

IAC-2019

Indian Society of Analytical Scientists-Delhi Chapter (ISAS-DC) with its head Office at Indian Oil Corporation Ltd R&D Centre, Faridabad is a multi-disciplinary body whose major functions are to organize Symposiums/ workshops on various topics on analytical sciences relevant to academics and industry. More than 50 conference / workshop / seminar have been organized by ISAS-DC since its inception. ISAS provides a common forum for Analytical Scientists to exchange ideas, keep themselves abreast of the latest developments in this field, thus promoting the growth of analytical sciences in the country. www.isasdelhi.org

About Federation of Indian Chambers of Commerce and Industry (FICCI)

A non-government, not-for-profit organization, FICCI is the voice of India's business and industry. From influencing policy to encouraging debate, engaging with policy makers and civil society, FICCI articulates the views and concerns of industry. Target Areas of IAC-2019

IAC-2019

Researchers in the field of Analytical Science /
Techniques from

- ❖ Chemicals & Petrochemicals
- ❖ Drug & Pharmaceutical
- ❖ Life Sciences & Natural products
- ❖ Agricultural & Food
- ❖ Environmental & Forest
- ❖ Geology

- ❖ Spectroscopic Techniques
- ❖ Chromatographic Techniques
- ❖ X-ray Techniques
- ❖ Microscopy & Imaging Techniques
- ❖ Atomic Spectroscopy
- ❖ Surface characterization Techniques
- ❖ Thermal Analytical Techniques
- ❖ Hyphenated Techniques

Target Audience

- ❖ Analytical chemistry Students / Scientists
- ❖ Government & Academic Research Institute
- ❖ Pharma Associations and Societies
- ❖ Business Entrepreneurs
- ❖ Training Institutes
- ❖ Chemical Instrument Vendors
- ❖ Analytical instrument manufacturing companies

IAC-2019

Technical Sessions

- ❖ Keynote Lectures
- ❖ Invited Lectures
- ❖ Oral sessions
- ❖ Poster sessions

Abstract (1 page) for Oral / Poster sessions may be submitted by e-mail to :
